

**Description:**

**Zaitak Stigma** is a high Performance synthetic and multi-grade Gasoline Engine Oil.  
**Zaitak Stigma** is suitable for use in all types of modern European, American, Japanese and Korean vehicles. This includes high-performance turbo-charged, supercharged gasoline multi-valve fuel injected engines found in passenger cars.  
**Zaitak Stigma** is made with a proprietary blend of high performance Group III+ base stocks fortified with a precisely balanced additive component system.

**Benefits :**

- Delivers excellent results going beyond API SN/ILSAC GF-5 specification limits in regards of oxidation stability, piston cleanliness, wear protection and fuel economy.
- Enriched with new-technology chemical additives that maintain minimum sludge and deposits at elevated temperatures.
- Made from 100% virgin base oil.

**Performance Levels:**

- API SN/SM
- ILSAC GF-5
- ACEA A3/B4
- MB Approval 229.1
